

# Brookfield's TLC Winter News

We're the Brookfield Bears,  
We are the very best!  
We are the Brookfield Bears,  
Just watch us soar!  
As we revel in our fame,  
Everybody knows our name.  
From the valley floor,  
To the Tahoe shore!

## The Toddler Program is Growing!

12 months to 36 months

Joining our Toddler Program this year is our new, Teddy Bear classroom. These are our youngest bears ever! Their class is for children starting at 12 months. With their teachers, the Teddy Bears have been growing leaps and bounds!

The Teddy Bear class gives our youngest minds the opportunity to learn about and explore the world around them through sensory play and self-discovery!

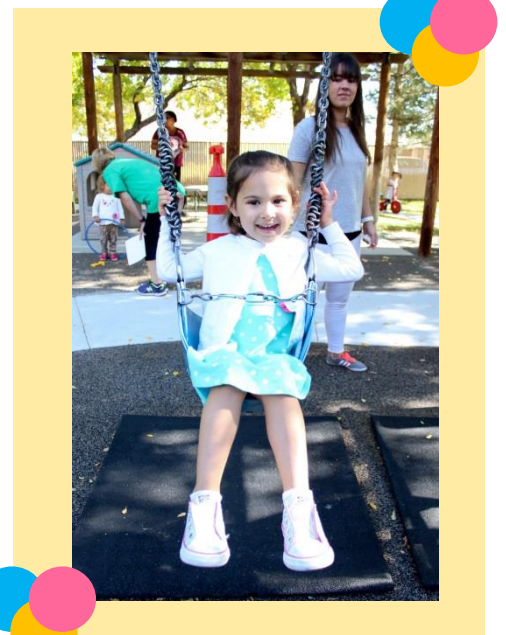

The Pooh Bear class had a great start to the year! Teachers have been helping the students work on their self-help skills, socialization, and introduction to academics.

The favorites in the Pooh Bear class currently are: circle time, learning name recognition, letter recognition, foreign language, art, and music and movement!

## Hello Preschoolers!

The Brown Bears are our early 3-year-old students. The Brown Bears are a busy bunch who are growing and changing daily! They enjoy working on their handwriting, expanding their math skills, creating Know, Wonder, and Learn charts with their many scientific explorations, and dramatic play!
