Summer Phonics / Reading Program: This summer, we will be offering a special opportunity for incoming Pre-1st, current Pre-1st, and current 1st grade students to participate in a Reading and Phonics Lab. We will be holding an Enrichment Program for current Pre-1st and 1st grade students, and an Advanced Readers Program for incoming Pre-1st students. This is a fantastic program that teaches basic phonics and reading skills in a kinesthetic and oral language format for our beginning readers. Mrs. Dunham recently held an 8-week workshop for a group of students after school, and their phonics growth was tremendous! Students improved in their reading skills and expanded upon the basic fluency skills that are a cornerstone of academic success. Students were given focused and individualized opportunities to learn and grow as readers as the workshop was taught in a small group setting. If you are interested, please contact the front office at 775-825-0257, ext. 2 for more information or to sign up.

SAVE THE DATE: Dennis Uniform will be at Bishop Manogue High School Monday, July 17th from 4:00 – 7:00 pm and Tuesday, July 18th from 9:00 am – 12:00 pm. This is a great opportunity to try on the uniforms for sizing and save on shipping. Junior Kindergarten parents, please call the Elementary Campus at 775-825-0257, ext. 2 if you have any questions about the dress code or uniforms. Middle School parents are strongly encouraged to attend the event as the blazer sizing can be different from the student's typical clothing size.
